As a condition of those licenses, AFRY is required to distribute the software to Licensee subject to specific terms and conditions, which may be different from or additional to those contained herein for AFRY' Programs. Licensee understands and agrees that acceptance of this Agreement also confirms Licensee's acceptance of the applicable provisions for use, including the restrictions on use, of such Third-Party software. The current applicable provisions are available in a folder in the location where the software was installed titled "Licenses" and within the software. Licensee's breach of the applicable provisions of any Third Party's license terms shall also be considered a material breach of this Agreement.

During this same paid Software Maintenance Service term, Licensee shall also be entitled to receive technical support for the current release. Technical support means assistance by telephone, fax, and electronic mail with the installation and/or use of the then-current release of the licensed Programs, including all available bug fixes and patches, and their interaction with supported hardware and operating systems ("Platforms"). AFRY reserves the option to discontinue, in whole or in part, and at any time, offering Software Maintenance Service and/or technical support for any Program or Platform.

9. LICENSE DURATION ("TERM"). This Agreement shall continue until the earlier of (a) termination by AFRY or Licensee as provided below; or (b) such time as there are no Programs being licensed to Licensee hereunder.

9.1. For Annual Licenses: Licensee understands and agrees that each Annual License will expire automatically immediately after its corresponding one (1) year period, unless Licensee renews its License by remitting the then-current annual License fee. Licensee understands that the Programs will stop operating unless Licensee pays the License fee and is provided new annual passcodes. Licensee understands and agrees that the Software Maintenance Service for each Annual License will terminate automatically upon expiration of the Annual License Term.

9.2. For Term Licenses: Licensee understands and agrees that each Term License will expire automatically immediately after the corresponding period of the term licensed, unless Licensee renews its License by remitting the then-current term License Fee. Licensee understands that the Programs will stop operating unless Licensee pays the license fee and is provided new term passcodes. Licensee understands and agrees that the Software Maintenance Service for each Term License will terminate automatically upon expiration of the License Term.

Licensee understands and agrees that the Software Maintenance Service for each Perpetual License will terminate automatically upon expiration of the initial Software

Maintenance Service term included with the acquisition of the License. Thereafter, the Software Maintenance Service term may be renewed for any Program, at the then-current price, and for the thenapplicable term, as long as AFRY offers such Software Maintenance Service for such Program.

9.4. For Student Licenses: The Student License term expires automatically immediately after the duration of Licensee's enrolment in a degree-granting institution or participation in a continuing education program of a degree-granting institution. Software Maintenance Service is not available for Student Licenses.

10. TERMINATION. AFRY may terminate this Agreement and all Licenses granted hereunder by written notice to Licensee if Licensee breaches any material term of this License, including failure to pay any License fees due, and Licensee has not cured such breach within fourteen (14) days of written notification. AFRY may immediately terminate upon notice this Agreement and all Licenses granted hereunder should Licensee breach the terms and conditions of Sections 3, 4, and/or 10. Licensee may terminate this License at any time, for any reason. Licensee shall not be entitled to any refund if this License is terminated, except for License fees paid for any Programs for which the Acceptance Period has not expired at the time of

termination. Upon termination, Licensee shall promptly return all but archival copies of the Programs in Licensee's possession or control, or promptly provide written certification of their destruction.

11. EXPORT CONTROL. The Programs may be subject to U.S. export control laws or other (U.S. and non-U.S.) governmental export and import laws and regulations. Notwithstanding any other term of this Agreement or Third-Party agreement, Licensee's rights under this Agreement may not be exercised by Licensee or any Third Party in violation of such laws and regulations, nor may this Agreement be transferred to any party where doing so would result in such a violation. The terms of any limitation on the use, transfer or re-export of the Programs imposed by AFRY in any Destination Control Statement or other document for the purpose of export control shall prevail over any term in this Agreement. It shall be Licensee's responsibility to comply with the latest United States or other governmental export and import regulations.
12. TAXES, DUTIES, CUSTOMS. Absent appropriate exemption certificates or other conclusive proof of tax exempt status, Licensee shall pay all applicable sales, use, excise, value-added, and other taxes, duties, levies, assessments, and governmental charges payable in connection with this Agreement or the Licenses granted hereunder, excluding taxes based on or measured by AFRY' income, for which AFRY shall be solely responsible.
13. ASSIGNMENT. Licensee may not assign or otherwise transfer this Agreement and its rights and obligations hereunder, in whole or in part, by operation of law or otherwise, without the written consent of AFRY. In the case of any permitted assignment or transfer of or under this Agreement, this Agreement or the relevant provisions shall be binding upon, and inure to the benefit of, the successors, executors, representatives and assigns of the parties hereto. AFRY may charge Licensee an administrative fee for any permitted assignment.
14. LIMITATION OF LIABILITY. The Programs should not be relied on as the sole basis to solve a problem or implement a design whose incorrect solution or implementation could result in injury to person or property. If a Program is employed in such a manner, it is at the Licensee's own risk and AFRY and its licensors explicitly disclaim all liability for such misuse to the extent allowed by law. AFRY' and AFRY' Licensors' liability for death or personal injury resulting from negligence or for any other matter in relation to which liability by law cannot be excluded or limited shall not be excluded or limited. Except as aforesaid, (a) any other liability of AFRY and its Licensors (whether in relation to breach of contract, negligence or otherwise) shall not in total exceed the amount paid to AFRY under this Agreement in the twelve month period preceding the claim in question, for the Program with respect to which the liability in question arises; and (b) AFRY and its Licensors shall have no liability for any indirect or consequential loss (whether foreseeable or otherwise and including loss of profits, loss of business, loss of opportunity, and loss of use of any computer hardware or software).
15. LIMITED WARRANTY/LIMITATION OF REMEDIES.

AFRY warrants that AFRY, on its own behalf or through its Licensors, has the right to grant the License rights hereunder. AFRY further warrants, for a period of one (1) year from delivery or for the term of the License, whichever is less, that each copy of each Program will conform in all material respects to the description of such Program's operation in the Documentation. In the event that a Program does not operate as warranted, Licensee's exclusive remedy and AFRY' sole liability under this warranty shall be the correction or workaround by AFRY of major defects within a reasonable time. Should such correction or workaround be impractical, AFRY may, at its option, terminate the relevant License and refund the initial License fee paid to AFRY for such

Program. All requests for warranty assistance should be directed to AFRY, Frösundaleden 2, 169 70 Stockholm, Sweden.

16. **DISCLAIMER OF WARRANTIES.** Except for warranties expressly set forth in Section 16 of this Agreement (or as implied by law where the law provides that the particular terms implied cannot be excluded by contract), any and all Programs, Documentation, and Software Maintenance Services are delivered "as is" and AFRY makes and the Licensee receives no additional express or implied warranties. AFRY and its Licensors hereby expressly disclaim any and all other conditions, warranties, or other terms of any kind or nature concerning the Programs, Documentation, and Software Maintenance Services (including, without limitation, any with regard to infringement, merchantability, quality, accuracy, or fitness for a particular purpose or Licensee's purpose). AFRY also expressly disclaims any warranties that may be implied from usage of trade, course of dealing, or course of performance. Except for the express warranties stated in Section 16 of this Agreement, the Programs, Documentation, and Software Maintenance Services are provided with all faults, and the entire risk of satisfactory quality, performance, accuracy, and effort is with Licensee. AFRY does not warrant that the Programs and Documentation will operate without interruption or be error free.
17. **GOVERNING LAW; JURISDICTION.** This Agreement shall be interpreted, enforced and construed and the rights of the parties hereunder governed in all respects by the laws of Sweden, without regard to its conflicts of law provisions, and both parties consent to the jurisdiction of the courts located in Sweden and consent to the service of process, pleadings and notices in connection with any and all actions initiated in such courts. The parties agree that a final judgment in any such action or proceeding shall be conclusive and binding and may be enforced in any other jurisdiction. To the extent any governing law, treaty, or regulation is in conflict with this Agreement, the conflicting terms of this Agreement shall be superseded only to the extent necessary by such law, treaty, or regulation. If any provision of this Agreement shall be otherwise unlawful, void, or otherwise unenforceable, that provision shall be enforced to the maximum extent permissible. In either case, the remainder of this Agreement shall not be affected. The parties agree that the U.N. Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.
18. **COMPLIANCE AND AUDIT RIGHTS.** Licensee agrees to notify AFRY promptly upon discovery of any failure to comply with one or more Licenses granted under this Agreement, or any failure to comply with any other material term of this Agreement. To confirm Licensee's compliance with the terms and conditions of this Agreement, Licensee agrees to allow AFRY to audit Licensee's use of the Programs, and to provide AFRY access to Licensee's facilities and computer systems, and cooperation from Licensee's employees and consultants, as reasonably requested by AFRY in order to perform such audit, all during normal business hours, and after reasonable prior notice from AFRY. If an audit discloses that Licensee has failed to comply with one or more Licenses, and such failure to comply could have in part or in whole been avoided by Licensee having paid additional License fees to expand the scope of the License or Licenses, then Licensee shall promptly pay AFRY such Licensing fees (at AFRY's then current rates) and, if such unpaid License fees exceed 5% of the License fees paid to AFRY for the applicable Programs during the applicable period during which such underpayment occurred, then Licensee shall, in addition to paying the unpaid License fees, also reimburse AFRY the full cost of such audit.
19. **ENTIRE AGREEMENT.** This Agreement and any applicable Addendum thereto including any documents referenced therein are incorporated herein by reference, and contain the entire understanding of the parties and may not be modified or amended except by written instrument, executed by authorized

representatives of AFRY and Licensee. In the event of any conflict between this Agreement and any purchase order executed by Licensee (whether executed before or after this Agreement), this Agreement shall prevail.
